Application of eCMS Cloud Construction ERP**

*Cold Spring Construction, Joe Bland Construction, JF Brennan Co., and Rudolph Libbe Companies Recognized
for Integrated Financial and Project Management with Advanced Business Intelligence and Workflows
In Support of Their Growing Construction Businesses*

Scottsdale, Arizona – August 31, 2017 – Computer Guidance Corporation, the leading developer of cloud-based ERP solutions for the construction industry, today announced that Computer Guidance customers were named as 2017 Vision Award winners by *Constructech* magazine for leveraging innovative technologies enabled by Computer Guidance Corporation's eCMS ERP solution.

In the GC - Builder/GC Commercial \$26 million to \$100 million Category

- Gold - Cold Spring Construction
- Silver - Joe Bland Construction
- Bronze - JF Brennan Co.

In the GC - Builder/GC Commercial More than \$500 million Category

- Silver - Rudolph Libbe Companies

The accomplishments exemplified by this year's winners reinforce each company's desire to remain competitive in the market and drive new innovations that will be integral to them now and well into future.

"The work these companies and their providers have accomplished demonstrates what can be achieved with the use of technology," says Peggy Smedley, editorial director of *Constructech* magazine and president of Specialty Publishing Media. "The success of these projects sets the stage for the future of the construction industry."

"We were proud to be on site to witness our customers receiving these prestigious awards as industry leaders," said Mike Bihlmeier, President, Computer Guidance Corporation. "We are honored to partner with our customers and play an important role in supporting their growth and enabling their operations."
